To Whom It May Concern:

I have been pleasantly surprised at how our employees have been more motivated and productive since we have been using the E.A.P (Employee Appreciation Program). I can't say enough good things about the food and service and the care that Bryan Hooks gives our account. Whether it is an event, party or employee appreciation; Bryan Hooks and The Catering Courtier will get my business. The ROI makes sense for me.

Best regards,

Bill Grier
